## Index:

The image shows a Windows 10 desktop environment. The primary focus is the Visual Studio Code (VS Code) editor, which is open to a file named 'index.html'. The editor's interface includes a sidebar on the left with a file explorer showing a project structure with folders like 'assets' and 'img', and a list of files including 'index.html'. The main editor area displays HTML code for a Bootstrap 5 layout. The code uses the 'container' class and includes a navigation bar with a logo and a list of links. The body of the page features a main content area with a heading, a paragraph, and a list of social media links. The footer contains a copyright notice. The Windows taskbar is visible at the bottom, showing the Start button, a search bar, and several pinned application icons. The system tray in the bottom right corner displays the date and time as '10/10/2023 09:38 a.m.'.
